12/15/2014	269	ORDER re <u>267</u> MOTION for Leave to File on Attorney Work Product and <u>266</u> Letter Brief filed by Genius Electronic Optical. The Court denies the motion and letter brief as moot based on Genius's representation that it has complied with the Court's December 5, 2014, production order re C.J. Lin. If Largan seeks other documents for which Genius asserts work product objections, the burden is on Largan to move to compel production pursuant to the Court's standing order on discovery. The Court expects that this will not delay the depositions the Court previously ordered. (Donato, James) (Filed on 12/15/2014) (Entered: 12/15/2014)
